

Exploring Types of Scientist Poster Requirements

Requirements

1. Title of your scientist must be on the page.
2. Must be in color.
3. Must have your face taped to a scientist body that is clothed to represent your scientist.
4. Must contain a drawing of tools that your scientist would use.
5. Must contain a two sentence description. (see below for more details)

Outline for two sentence description

Sentence #1: Definition of scientist

Sentence #2: Description of scientist's job using verbs from class

Example of a two sentence description

Archaeologist

An Archeologist is a person who studies past cultures. Archeologists use shovels and brushes to uncover artifacts such as bones and pottery to learn more about how people lived thousands of years ago.
